EXT. ST. MARY'S - DAY

Establishing Shot

EXT. MONASTERY ENTRANCE - Day (St. Mary's)

Julius [19, Black, Gay, Petite] dressed in his best impression of a straight male with ribbed skinny jeans on.

Cobain [19, Tall and large frame, Gay] in extremely fashionable outfit

Cuts to scene of Cobain and Julius about to enter monastery
Close-up shots like a pre-game interview
Cobain pulling up his pants, Julius tugging his slightly down
Cobain adjusting his purse, Julius tightening the straps of his backpack
Cobain touching up makeup, Julius clearing his throat and practicing straight male phrases "Hey. What's good."

Cobain:

Stop, just stop. Just be straight. Think of boobs and 3-in-1 shampoo.

Julius makes a disgusted face.

The two bust open the door and hold a pose

Filmed from lower angle, anticlimactic, drab monastery

180 degree pan to the unbothered nuns

INT. ST. Mary's - DAY

Nun 1 (in sync):

St. Mary's, how can we help you?

Nun 2 (in sync):

St. Mary's, how can we help you?

Cobain:

Mother, I've come to repent. I've been having phallic visions in my sleep. I've brought my heterosexual shaman for guidance.

Nun 1:
That's "Sister" to you.

Nun 2:
And we don't want to hear about how flaccid you are.

Cobain and Julius look at each other with disbelief and concern.

Cobain:
Sister, I'm sooo sorry. I promise we're here with good intentions. I would like to go to-

Nun 1:
The choir meets on Tuesdays-

The two nuns do their signature scissor handshake (kiss lips with one finger, point at sky, form a cross with their fingers, and scissor hand motion) and laugh maniacally.

Julius:
Confession. We are here for confession.

Nuns look at him hesitantly.

Nun 1:
Hm. Okay. You-I don't know what that little sac is, but get it out of your pants.

Julius looks towards his lower region and realizes she's talking about the baggy.

Julius:
Sister, it's [pauses, as if coming up with something] a sample of Jesus' ashes we bought at Reading Terminal.

Nun 2:
I don't know what that's laced with, but I know it is not my savior's body.

Julius:

You wouldn't know a savior's body if it was in front of you.

Julius gestures to his hourglass silhouette

Cobain (in approval):

MMMMM...

starts arguing

Nun 1:

The levels of disrespect in the house of the Lord are astrono-

Nun 2:

We have been nothing but kind-

Julius:

ADAM AND STEVE OVER ADAM AND EVE.

Cobain:

SISTER, PUHLEASE. THIS IS ALL EXTREMELY HARD FOR ME.

It took so much courage for me to come here today.

Everyone staring, wondering where he's going with this. Nuns look unconvinced.

Cobain (desperately, also with pause to BS):

NOBODY EVEN KNEW I WAS GAY BEFORE THIS.

Long pause, medium shots of Julius's, Cobain's, and Nuns' faces one by one. Frame backs out and includes all of them standing in silence.

Nun 1:

Just go.

Nun 2:

And may GOD be with you, every *strut* of the way.

Julius tugs down his pants again and begins adding basketball-player type of limp to his steps across the floor while rubbing his hands together.

Cobain and Julius saunter down the hallway, looking for Maggy
Camera tracks with them
Some rooms a sister reading, Julius peeps her reading smut and camera takes a step back with him and zooms in then records his reaction.

They continue walking, pass the next room, and Maggy is inside.
They enter the room.

INT. NEWMAN ADORATION ROOM - DAY:

[CUE *Blue Danube Waltz*, intensifying throughout scene]

Maggy:
Cobain? Julius? What are you doing here?

Julius:
Miss ma'am... You're the one with the holy shiesty on.

Cobain:
HO, WHAT ARE YOU DOING HERE?

Maggy winces then recites her line, as if rehearsed to sound candid.

Maggy:
Turning over a newer, purer leaf. I've professed the sacred vows of "Poverty, Chastity, and Obedience."

Cobain:
PCO? Bitch, the only PCO you know about is partying, cocaine, and o-vading your jury duty.

Maggy:
Evading starts with an E.

Julius:

And so do all of your Thursday nights. Let's wake *that* UP!

Cobain:
MMMM, clock it!

Maggy:
I-

Cobain:
Maggy... Look at me. This isn't you.

Julius:
We brought some things to remind you of who you are.

opens backpack

Julius removes a photo of maggy in her emo phase.

Cobain:
Don't you remember? When the other kids used to call you Faggy
Maggy?

Maggy:
I'm not bicurious anymore.

Cobain takes out a polaroid of them and their friend group.

Julius:
All of us?

Maggy watches in silence. Her expression is unreadable.
Julius dangles baggy in front of her.

Cobain:
And we brought your favorite. Now, we know you may have hit a
180-

[*Blue Danube Waltz* crescendos dramatically]
In sped-up motion, Maggy snatches the bag, takes out her prayer
card, lines up the coke and does a line.

Cobain and Julius start screaming. [21 Jump Street type of intervention](#)

Maggy:
What the fuck? Is this flour?

Cobain:
BITCH! YOU'RE A NUN! YOU WEREN'T SUPPOSED TO ACTUALLY DO IT!

Maggy:
I don't know what I am supposed to do! I feel lost as fuck. All I do is party-drink. Get hungover. Boom, pregnancy scare. CVS for gatorade. Bow, back to CVS for a Plan B—I'm 19 and I have a *loyalty cardddd*.

Julius:
Oh, hunny... We need to get you a therapist or a dildo or something.

Maggy:
I tried already, and this is where it led to. It's like.. like, I went to the counseling clinic and I ended up donating sperm.

Cobain [interlapping with Julius]:
What?

Julius:
What in the tomfoolery...

Maggy [ignoring them]:
I went to my counselor.

Flashback sequences

Maggy peeps her head through the doorway, filmed from inside the office where the counselor is sitting.

Counselor's Voice:
Magdalena Chen? Come on in.

Camera shoots her sitting in chair apprehensively across from him. Her leg is bouncing.
Camera switches to over-the-shoulder shot of the counselor speaking.

Counselor:
What brings you into my lair today?

He waits for her to talk then starts shaking his salad. To compensate, she tries to speak louder to which he shakes his salad more intensely.

Maggy:
Hi, Mr. Lawson. I've been really struggling with school. Like, I don't know what I want to study and I can't really imagine myself like, working and wrinkly and stuff after graduation, so I was wondering if you could help me.

Counselor [Large, white, football-build type of man] aggressively shaking salad while smacking on gum (also has a frat accent) with feet on table as well. Also wearing flip flops and shorts with hairy legs.

Filmed through a series of over-the-shoulder alternating clips.

Counselor:
Yeah, so, I actually have a degree in Early Stage Zygote Management, so this isn't exactly my niche.

Maggy:
Oh! I haven't heard of that-

Counselor:
I went to CHATanooga State Community College (roll noogs) and it was *incredibly* respected there.

Maggy:
Oh, I... Don't doubt that. Um, I was also wondering about maybe getting tutoring?

Counselor:

Okay, so, unfortunately, I don't have access to like, that exact system.

Maggy:
Aren't you... my counselor...

Counselor:
Wait, yeah, like. You can just-

He shoves his laptop towards her

Counselor:
Like go ham. My password is "GoBirds#SKEAGLES"

Camera close-up of Maggy's face. Medium shot showing she steps outside office and closes door behind her. She turns her head and shot cuts to the bulletin board outside the wall. On the wall, she sees a flyer for tarot card reading. She tears off the phone number tab of flyer.

INT. AMY'S ROOM - DAY

Priyanka [Female, artsy type, heavy jewelry that clanks with movement] comically large evil eye necklace.

Clearly in someone's dorm with mood lighting. Smoke billowing. An alarm going off as she arrives. Psychic is standing on a chair trying to get rid of fumes.

Maggy:
Hey, um, Priyanka, do you need help?

Spri has a blunt/joint in her mouth.

Spri:
It's the incense, darling. And call me Spri. Please, allow your vessel to guide you towards the Center of Clairvoyance.

Maggy:
Is that, uh,

Spri:

Suite C, darling. Spread your legs towards the gravitational pull.

Cuts to Maggy's emerging into the bedroom through the boho curtains in the doorway. Pans to show the rest of the room.

Spri:

So, this is an itemized service.

Maggy:

Okay... like per reading?

Spri (speaking quickly and normally like reading a terms and conditions):

Perfect! Shuffling the deck is \$15, depending on the technique.

Every card I pull is \$5, every card I interpret is \$10, if the fortune is bad and you want it good that's a \$6 change fee. Music is complimentary, but I get aux! Also, we can make this ASMR but the whisper fee is HEFTY. Especially if you want it seductive.

Camera cuts to Maggy, visibly confused. Spri configures her iPad and sets it on the table. She is playing a subliminal.

Maggy:

I'll do... a waterfall shuffle and two cards?

Spri begins throwing cards on the table and just spreading them around on the table. It is apparent that she does not know how to shuffle. She pulls out two cards:

Spri:

Ah, yes, the Two of Tentacles and Queen of Swords.

Maggy:

That says pentacles.

Spri:

Yes, since you're the wise one, I would like you to tell me how you think this manifests in your life.

Maggy:

Why would I know what that means?

Spri:

Each negative vibrational wave is \$.50 pre-tax.

Maggy:

Just read my other one.

Spri:

The Queen of Swords... you're the queen, and something tells me you've really been wielding some swords lately.

Spri makes gesture of giving a handjob. Cutting between Maggy's reaction of shock and Spri still going. She does the blowjob gesture afterwards. Make this uncomfortably long.

Maggy:

I'm actually just gonna go, thank you.

Spri:

Of course, it's just gonna ask you a question.

Spri flips the iPad to show Toast tipping software and pretends to look away for a moment but actually glares at Maggy's option. Maggy is in disbelief.

FADE OUT:

Maggy:

And the real thing that led me here.. The holy spirit.

Cobain:

Did your bush catch on fire?

Maggy:

No, a dove came down and spoke to me. I was like, maybe the answer is in a higher realm. I don't have a virtual reality headset or anything so I ripped shrooms.

Julius:

How is that the conclusion we arriv-

Their voices start fading to her shroom trip.

FADES OUT:

Sequence of clips put together:

1. Film with a kaleidoscope lens, with distortion as she's looking at a wall and looking amazed.

Maggy:

It was transformative.

2. Touching random objects and hugging them
3. Scooching down staircase railing
4. Walking along the college green and sitting below a tree.

Maggy:

I heard the Holy Spirit itself.

5. Switches to short cartoon animation, a dove coming down and speaks to her. They communicate with each other through a combination of undecipherable symbols in text bubbles.
6. Camera cuts and shows raw unedited version of her tripping. She is rolling around in a very public area of the College green beneath a tree. The Dove she is speaking to is actually a large squirrel.

Cuts back to monastery with Julius and Cobain.

Julius:

Maggy, do you not see what this means?

Maggy:

Maybe I should try salvia?

Cobain:

Bitch, no.

Julius:

Nobody knows what they're doing. We're all just here. I'm wearing
skinny jeans right now.

Cobain:

Look, we'll give you some time. But, like, you're still paying
tuition-

Julius:

Just make sure this is right for you. Why don't you bring these
back and finish them?

Maggy:

They suck. I peaked in sixth grade. Back then I'd have been on
Ellen as LITTLE ASIAN PRODIGY PAINTS LIKE PICASSO. Now I'm just
a... future barista.

Cobain:

You can't look at it like that-

Footsteps begin moving towards their room.

Maggy:

You guys need to leave. This is a strict no male space.

Julius:

If you were your own friend, you would intervene, too. Give
yourself the same respect.

Cobain:

Let's go.

Nun pops her head into the adoration room.

Nun 1:

Confession is now, dear.

Maggy:

Thank you, sister.

Maggy puts in her earbuds and starts playing sad music and imagines herself in a music video, slowly caressing the window with a yearning expression *satirical*.

Scene cuts to over the shoulder shot of her behind the confession booth.

Nun 1:
How was it?

Maggy:
Good, I feel good.

Nun 2:
Lying is a sin, dear.

Maggy:
I know all about that.

Nun 1:
We know. The life of a sister is not for the lost. Don't do this because you don't know what to do, come back if it's the only thing you want to.

Maggy:
Everyone is telling me what not to do, but never what I should do.

Nun 2:
God will hold your hand but He will not move your feet. That is the gift He gave us. Use yours.

The camera cuts to a shot from behind of Maggy leaning her head on the nun's shoulder while sitting on a bed, heads touching.
